

# CURRICULUM VITAE

**TOMAS PEVNY, M.D.**

---

BUSINESS ADDRESS:

OrthoAspen  
401 Castle Creek Road, Suite 2100  
Aspen, Colorado 81611  
Phone: 970/544-1289  
Fax: 970/544-1110

INTERNET ADDRESS:

[www.orthoaspen.org](http://www.orthoaspen.org)

PLACE OF BIRTH:

Mikulas, Slovak Republic

EDUCATION

Undergraduate:

Texas A & M University  
College Station, Texas  
B.S. Biochemistry, June 1986

Honor Societies

Phi Kappa Phi Honor Society  
Phi Lambda Upsilon Chemistry Honor Society  
Phi Eta Sigma

Graduate:

Baylor College of Medicine  
Houston, Texas  
M.D., June 1990

BOARD CERTIFICATION

American Board of Orthopaedic Surgeons (1998)

RESIDENCY

University of Oklahoma Health Sciences Center  
Department of Orthopaedic Surgery  
Oklahoma City, Oklahoma

June 1995

Residency Awards

1993 Visiting Professorship Best Paper:

*Ligamentous and Tendinous Support of the Pisiform: Anatomic and Biomechanic Study*

1995 Visiting Professorship Best Pediatric Paper:

*Early Complications with External Fixation of Pediatric Femur Fractures*

1994-1995 Chief Resident

In-Training Exam Scores (Percentile Rankings)

1991 PGY2 - 69%

1992 PGY3 - 92%

1993 PGY4 - 96%

1994 PGY5 - 96%

FELLOWSHIPS

AO Trauma Fellowship April - June 1995  
Tampa General Hospital  
Tampa, Florida  
Director: Roy Sanders, M.D.

Rocky Mountain Sports Medicine Fellowship August 1995 - July 1996  
Aspen, Colorado  
Director: Robert E. Hunter, M.D.

POSITIONS HELD

Vice President , Board of Directors

Aspen Sports Medicine Foundadtion 2009-present

President 2003 –2009  
Aspen Foundation for Sports Medicine Education and Research

Member 2002 - present  
Peer Review Committee, Aspen Valley Hospital

Assistant Director 1996 - present  
Aspen Foundation for Sports Medicine, Education and Research Fellowship  
(formerly Rocky Mountain Sports Medicine Fellowship)

Vice President, Board of Directors 1996 - 2002  
Aspen Foundation for Sports Medicine Education and Research

Member, Education Committee, Aspen Valley Hospital 1997 - 2000

Team Physician, United States Men's Alpine Ski Team 1997 - present

Team Physician, National Off-Road Biking Association 1997 - present

Team Physician, Gentlemen of Aspen Rugby Team 1997 - present  
1997 National Champions

Chief of Surgery 1999 – 2003

Aspen Valley Hospital

Vice chairman, Dept. of Surgery 2011-present

### STAFF APPOINTMENTS

Aspen Valley Hospital - Aspen, Colorado 1995 - present

### MEMBERSHIPS IN SOCIETIES

Colorado Medical Society  
Rocky Mountain Traumatology Society  
Arthroscopy Association of North America  
American Medical Association  
American Academy of Orthopaedic Surgeons  
Western Orthopaedic Association

### EDUCATIONAL ACTIVITIES

---

1. Laboratory Instructor, Hands-on Shoulder Examination Techniques and Cadaveric Shoulder Lab, The Athlete's Shoulder: Evaluation, Management and Rehabilitation of the Shoulder. Aspen, Colorado, September 23-24, 1995.
2. Laboratory Instructor, 15th Fall Course, Arthroscopy Association of North America. Palm Desert, California, November 21-24, 1996.
3. Academic Faculty, Seventh Annual Colorado Sports Medicine Symposium. Denver, Colorado, September 12, 1997.
4. "Sports Medicine Current Concepts: Shoulder and Knee," DePuy OrthoTech Sports Medicine Meeting, Snowmass Village, Colorado, January 30-31, 1998.
5. Academic Faculty, Boston University School of Medicine, Evaluation and Treatment of the Injured Athlete: Sports Medicine Update Winter 1998, Snowmass Village, Colorado, February 17-2, 1998.
6. Academic Faculty, Aspen Foundation for Sports Medicine, Education and Research, Sports Medicine Basic Science Seminar, Aspen, Colorado, September 10-11, 1999.
7. Academic Faculty, Aspen Foundation for Sports Medicine, Education and Research, Sports Medicine Basic Science Seminar, Aspen, Colorado, September 10-11, 2004
8. Course Coordinator and Lecturer, Mitek Sports Symposium, Aspen, Colorado, March 2004
9. Instructor, Synthes Training Course, Advances in Lock Plating, Aspen, Colorado, April 15-16, 2005\_

### ARTICLES PUBLISHED

---

1. Macleod MC, Adair G, Dickson-Black D, Pevny T, Humphrey RM: *Stabilization of a Reactive, Electrophilic Carcinogen, Benzo[a]pyrene Diol Epoxide, By Mammalian Cells*. ChemBiol Interact 63(3): 279-89, 1987.

2. Pevny T, Rooney RJ: *Aneurysmal Bone Cyst of the Patella: A Case Report and Review of the Literature*. *Skeletal Radiol* 23(8):664-67, 1994.
3. Pevny T, Rayan GM, Egle D: *Ligamentous and Tendinous Support of the Pisiform: Anatomic and Biomechanic Study*. *J Hand Surg* 20A(2):299-304, 1995.
4. Pevny T, Rayan GM, Egle D: *Ligamentous and Tendinous Support of the Pisiform: Anatomic and Biomechanic Study*. *J Okla State Med Assoc* 88(5):205-10, 1995.
5. Pevny T, Rayan GM: *Recurrent Pisiform Dislocation: A Case Report and Review of the Literature*. *American Journal of Orthopedics* 25(2):155-6, 1996.
6. Gregory P, Pevny T, Teague D: *Early Complications with External Fixation of Pediatric Femur Fractures*. *Journal of Orthopaedic Trauma* 10(3):191-98, 1996.
7. Pevny T, Hunter RE, Freeman JR: *Primary Traumatic Anterior Shoulder Dislocation in Patients 40 Years of Age and Older*. *Arthroscopy* 14(3):289-94, 1998.

#### ABSTRACTS PUBLISHED

---

1. Pevny T, Hunter RE, Freeman JR: *Primary Traumatic Anterior Shoulder Dislocation in Patients 40 Years of Age and Older*. *Orthopaedic Transactions*, 20(4):918, 1996-1997.
2. Hunter RE, Pevny T, Mastrangelo J, Aldrich DJ, Creighton MG: *Efficacy of Magnetic Resonance Imaging in the Classification and Management of Acute Tibial Plateau Fractures*. Western Orthopaedic Association 63<sup>rd</sup> Annual Meeting, San Diego, California, August 1999.

#### CHAPTERS IN TEXTBOOKS

---

1. *Current Concepts in Anterior Cruciate Ligament Reconstruction* in: Advanced Arthroscopy, chapter 32. Co-Authored with Dr. Robert E. Hunter, MD. Edited by James C.Y. Chow, MD, Springer-Verlag New York, Inc., New York, New York, 2001.

#### PAPERS PRESENTED

---

1. Pevny T, Rayan GM, Egle D: *Ligamentous and Tendinous Support of the Pisiform: Anatomic and Biomechanic Study*. Presented at the 1993 Annual Visiting Professorship Conference, Oklahoma City, Oklahoma. Presented by Dr. Pevny.
2. Pevny T, Yates C: *ACL Reconstruction Using Freeze-Dried Fascia Lata Allograft*. Presented at the 1994 Annual Visiting Professorship Conference, Oklahoma City, Oklahoma. Presented by Dr. Pevny.
3. Gregory P, Pevny T, Teague D: *Early Complications with External Fixation of Pediatric Femur Fractures*. Presented at the 1995 Annual Visiting Professorship Conference, Oklahoma City, Oklahoma. Presented by Dr. Pevny.

4. Gregory P, Pevny T, Teague D: *Early Complications with External Fixation of Pediatric Femur Fractures*. Presented at the Orthopaedic Trauma Association Annual Meeting, Tampa, Florida, January 1996. Presented by Dr. Gregory.
5. Pevny T, Hunter RE, Freeman JR: *Primary Traumatic Anterior Shoulder Dislocation in Patients 40 Years of Age and Older*. Presented at the Western Orthopaedic Association 60th Annual Meeting, Kauai, Hawaii August 3-7, 1996. Presented by Dr. Pevny
6. Pevny T, Hunter RE, Freeman JR: *Primary Traumatic Anterior Shoulder Dislocation in Patients 40 Years of Age and Older*. Presented at the 16th Annual Meeting of the Arthroscopy Association of North America in San Diego, April 23-26, 1997. Presented by Dr. Pevny.
7. Pevny T, Hunter RE, Freeman JR: *Primary Traumatic Anterior Shoulder Dislocation in Patients 40 Years of Age and Older*. Presented at the ISSS 12th International Symposium on Ski Trauma & Skiing, Whistler Blackcomb British Columbia, Canada, May 3-10, 1997. Presented by Dr. Hunter.
8. Pevny T, Hunter RE, Freeman JR: *Primary Traumatic Anterior Shoulder Dislocation in Patients 40 Years of Age and Older*. Presented at the Seventh Annual Colorado Sports Medicine Symposium, Denver, Colorado, September 12, 1997. Presented by Dr. Pevny.
9. Pevny T, Hunter RE, Freeman JR: *Primary Traumatic Anterior Shoulder Dislocation in Patients 40 Years of Age and Older*. Presented at the Rocky Mountain Traumatologic Society 40th Annual Meeting, Snowmass Village, Colorado, January 22, 1998. Presented by Dr. Pevny.
10. Hunter RE, Pevny T, Mastrangelo J, Aldrich DJ, Creighton MG: *Efficacy of Magnetic Resonance Imaging in the Classification and Management of Acute Tibial Plateau Fractures*. Presented at the Western Orthopaedic Association 63<sup>rd</sup> Annual Meeting, San Diego, California, August 3, 1999. Presented by Dr. Hunter.
11. Pevny T. *Rigidfix Femoral Anterior Cruciate Ligament Fixation: An Anatomic Study*. Orthopaedic Grand Rounds, Aspen Valley Hospital, June 2003

## LECTURES

---

*The Mechanics of Bone Formation*. Basic Science Lecture Series, University of Oklahoma Health Sciences Center, Oklahoma City, Oklahoma; 1992.

*Golf Biomechanics and Related Injuries*. Chief Resident Paper, University of Oklahoma Health Sciences Center, Oklahoma City, Oklahoma; 1995.

*Shoulder Instability*. Aspen Valley Hospital Grand Rounds, Aspen, Colorado; December 21, 1995.

*Articular Cartilage Injury, Repair and Treatment*. Aspen Valley Hospital Grand Rounds, Aspen, Colorado; March 7, 1996

*Principles of ACL Reconstruction*. Aspen Valley Hospital Grand Rounds, Aspen, Colorado; October 24, 1996.

*Mensical Repair: Rationale and Technique*. Aspen Valley Hospital Grand Rounds, Aspen, Colorado; December

12, 1996.

*Multidirectional Shoulder Instability.* Evaluation and Treatment of the Injured Athlete: Sports Medicine Update Winter 1997. Jointly sponsored by Orthopaedic Associates of Aspen & Glenwood and the Boston University School of Medicine Department of Orthopedic Surgery. Snowmass, Colorado; March 24-27, 1997.

*Principles of ACL Reconstruction.* Evaluation and Treatment of the Injured Athlete: Sports Medicine Update Winter 1997. Jointly sponsored by Orthopaedic Associates of Aspen & Glenwood and the Boston University School of Medicine Department of Orthopedic Surgery. Snowmass, Colorado; March 24-27, 1997.

*Open Anterior Instability Repair.* Evaluation and Treatment of the Injured Athlete: Sports Medicine Update Winter 1997. Jointly sponsored by Orthopaedic Associates of Aspen & Glenwood and the Boston University School of Medicine Department of Orthopedic Surgery. Snowmass, Colorado; March 24-27, 1997.

*Current Concepts of ACL Reconstruction.* Aspen Valley Hospital Grand Rounds, Aspen, Colorado; August 21, 1997.

*Shoulder Instability.* Aspen Valley Hospital Grand Rounds, Aspen, Colorado; December 17, 1997.

*ACL Reconstruction: Principles, Indications and Timing.* Evaluation and Treatment of the Injured Athlete: Sports Medicine Update Winter 1998. Jointly sponsored by Orthopaedic Associates of Aspen & Glenwood and the Boston University School of Medicine Department of Orthopedic Surgery. Snowmass, Colorado; February 17-20, 1998.

*Current Concepts of ACL Reconstruction.* Aspen Valley Hospital Grand Rounds, Aspen, Colorado; September 23, 1998.

*Overview of Athletic Injuries.* 2<sup>nd</sup> Annual Western Slope Coaches Conference, Glenwood Springs, Colorado; August 14, 1999.

*Biomechanics of the Patello-Femoral Joint.* Sports Medicine Basic Science Seminar, Aspen, Colorado; September 10-11, 1999.

*Current Concepts of ACL Reconstruction.* Aspen Valley Hospital Grand Rounds, Aspen, Colorado; February 17, 2000.

*Alpine Orthopaedic Injuries and the Acute Treatment of.* November 2002 and 2003.

*Current Concepts of ACL Reconstruction.* University of Oklahoma, Department of Orthopaedics, September 2003.

*Anatomy and Physical Exam of the Knee and Shoulder.* Course Director and Lecturer, October 2003 and 2004.

*Treatment of the Degenerative Knee.* Basic Science Course, Aspen, Colorado, September 2004

*Rigidfix and Femoral Anterior Cruciate Ligament Fixation: An Anatomic Study.* University Of Oklahoma, Department of Orthopaedics, October 2004

*ACL Femoral Tunnel Drilling: A Comparison of Four Drilling Techniques.* Aspen Basic Science Course. February 2010

The Anterior Shoulder. Grand rounds. Aspen Valley Hospital. 2010

CURRENT RESEARCH PROJECTS

---

*Change in Tibial Tunnel Geometry Utilizing Trans-tibial Tunnel Drilling in ACL Reconstruction: A Saw Bones Model*

*Characteristics of four different femoral tunnel drilling techniques in ACL reconstruction*

*Treatment of adolescent clavicle fractures*
